

Annual Report
2020-2021

be kind.

Dear Friends,

The past year has brought about a lot of uncertainty in everyone's lives. Will there be enough water to stay hydrated, enough toilet paper to survive, enough access to the medical care we all need? Those questions have undoubtedly run across each person's mind in this organization a number of times – the silver lining of it all is that through these most uncertain of times, we have all asked ourselves the same questions, had the same concerns, and made it through together as an organization, a community, and an even stronger Sisu family.

When there was chaos at our doorstep, we opened the doors and gave our students and their families peace of mind knowing that within the chaos, we were the beauty and with their support in us, we could make beautiful things together one stitch at a time. Despite the world around us closing at every turn, Sisu proudly remained open through the entire academic year, to give our students the care that they deserve. Through hard work and grit, our faculty and staff helped our students stay on track and keep a daily routine that inevitably led them to succeed even stronger than year's passed through in person attendance, virtual learning and telehealth therapy. Sisu's community partnerships were bursting through seams with existing and new relationships that gave way to feed and support our families whose basic needs would not have been met otherwise.

This year, Sisu fully embodied our mission to serve children through innovative educational, therapeutic, nursing, and family support services in an inclusive environment.

Although our outside world may have changed, our vision remains the same and it is through innovation and collaboration that we continue to ensure that our children and families receive the highest quality of learning and care, establishing academic and lifelong success.

Our expansive partnerships made us socially aware of the needs of our students and families and it is through the generosity and support from our peers, donors, school systems, benefactors, corporations, foundations, board members, committee members, and United Ways that has truly woven together the Sisu spirit in ways unimaginable.

We are excited to work with Carla Baker and Gloria Farrell as they transition to co-Executive Director roles at Sisu, and most importantly, we are optimistic for what the future holds and thankful that you are all a part of our Sisu family!

Sincerely,

KELLY LEE, BOARD CHAIR

Board of Directors

Kelly Lee - Chair	Kelly Lathem
Will Merritt - Treasurer	Jim Mathis
Hart Payne - Secretary	Allan Myers
Kristi Baggaly	Randy Owens
Sara Billingsley	John Pudenz
Ralph Brooks, Jr.	Alexis Seymour
Woody Brown	Gail Schneider
